

the invention of tradition pdf

Invention is often an exploratory process with an uncertain or unknown outcome. There are failures as well as successes. Inspiration can start the process, but no matter how complete the initial idea, inventions typically must be developed.

Invention - Wikipedia

The term "invention of tradition", introduced by E. J. Hobsbawm, refers to situations when a new practice or object is introduced in a manner that implies a connection with the past that is not necessarily present. A tradition may be deliberately created and promulgated for personal, commercial, political, or national self-interest, as was done ...

William Blake invented a printing technique known as relief etching and used it to print most of his poetry. He called the technique illuminated printing and the poetry illuminated books. Nearly all of his critics believe that the idea for illuminated books preceded the invention of relief etching, that either the idea of text integrated with ...
